Dear Mr. Feldman,

On behalf of Kinetik, I want to express our sincere appreciation for your powerful presentations on distracted driving. When you first spoke to our employees in 2023, your story deeply moved our team. Your return in January 2025 had an even greater impact.

Hearing your story again reinforced the critical importance of staying focused behind the wheel. Many of us walked away with a renewed commitment to eliminating distractions while driving. Your dedication to raising awareness through End Distracted Driving ([enddd.org](http://enddd.org)) is truly commendable, and your ability to connect with audiences on such a personal level is inspiring.

Thank you for sharing your message with us. We look forward to continuing to support your mission and promote safe driving practices within our organization.

Sincerely,
